

IdeaBank Features

Create a list by typing a title and saving it. The newly created list will appear in the blue column with your other lists.

Find all of your IdeaList titles here.

View the number of items saved in each IdeaList.

Click on the title to expand and see items within the list.

View your published IdeaList.

Write your IdeaList description and save it.

See your published lists at a glance.

The screenshot shows the 'Teaching & Learning Commons' interface. At the top, there is a search bar and navigation tabs for 'Commons', 'Gallery', and 'KEEP'. The main content area is titled 'My IdeaBank' and includes a 'News & Messages' section. Below this is a 'My IdeaLists (3)' section with a table of lists:

List Name	Last modified
default (3)	Mar 13, 08
Educational Technology (0)	Mar 13, 08
Matilda Mabel's Math Mentoring Methodology (3)	Mar 13, 08

Below the table, there are 'List Options' including 'Unpublish', 'Duplicate', and 'Delete'. There is also a form to 'Rename' the list and a 'Send List' button. To the right, the 'Edit Items' section shows a list of items with checkboxes and 'Add / Edit' buttons. The 'Recently Published' section lists items with their titles and dates.

Select each item by checking the box next to it. Check the top of the column to select all.

Move or copy items to IdeaLists found on the dropdown menu.

See all of the items saved in the list you select.

Update your user alias and preferences in your account settings.

Resort your items by name & date.

Add your reflections. Click on the thumbnail to open the item in a new window.
